

It has been an exhausting week in school with every child taking part in a Christmas Concert. The staff are extremely proud of how well they performed, as I am sure you are too. Thank you for coming along to support the children. We know these events create special memories for each and everyone. Thank you also for respecting the rules set by our School Council, in particular the taking of photographs. Safeguarding our children is a priority which is why this was requested. May I take this opportunity to wish you a Merry Christmas.

YR2 Lego Workshop

Year 2 had an amazing time at Newcastle-under-Lyme College. A huge thanks to the College staff for kindly providing the workshop for free. The children were exceptionally well behaved and made us proud. They enjoyed working in the Lego studio constructing a dragster car following a very tricky set of instructions on the computer. Using Lego Wedo software they programmed the cars to move and create sound. We had fun racing the cars, making them go faster and then building imaginative scenes to 'park' them in. The children used Science, Computing and Design and Technology skills and worked well in teams. I think lots of children will now be asking Santa for Lego for Christmas!

Port Vale Carol Service

Our Year 2 children went to the Port Vale Carol Service last week. They performed the song "Jack Frost" and got to meet the squad, as well as getting their autographs. It was a lovely celebration and everyone enjoyed themselves.

Jackfield Christmas Fayre

Our Christmas Fayre was a great success. Many thanks to all who came to support and for all the donations we received. In total we raised £772.00 which will be used to support future enrichment activities for the children.
